

# WP100

## Watts 1/2" 009 Check Seat Pick Tool

### Works On:

### Models:

1/2" 007 & LF007

1/2" 009 & LF009

### Use:

Removal of check seats from the body when the check module comes apart.

The check pick has both a “hook” side and an “L” side.

Either side can be used to remove the seat.
